## The Hireology difference

Hireology is purpose-built with deep industry knowledge in hospitality to help you navigate your complex hiring and retention challenges. On average, the impact our hospitality customers see with hireology are:

**\$3k per role filled, per hotel worker**

Average increase in revenue generation

**\$21k per year, per hotel worker**

Average reduction in turnover costs

“We used to manage our employee referral program through spreadsheets. Including data input, calendar reminders, and bonus payout logistics we were spending about 4 hours per hired referral on administrative tasks. Now using Hireology referrals this is going to go down to minutes.”

**Awilda Nevarez,**  
Director of Human Resources
